Dear Pharmacy Manager:

Please be advised that the Maryland Drug Assistance Program (MADAP) will not be prepared to accept electronic claims on October 16, 2003. The program continues to work on the infrastructure necessary to make the transition from manual preauthorization and paper claims to automated preauthorization and electronic claims filing. We will keep you informed as we progress in the transition.

Please continue to contact MADAP directly for preauthorization, and to submit paper claims/invoices until further notice. For MADAP preauthorization, call 410-767-6535, toll free at 800-205-6308, and fax 410-333-2608.

Thank you for your patience.

Sincerely,

Linda J. Anders, M.P.H.
